

# YOUR TRIP. IN YOUR WORDS.

TOEFL® Young STUDENTS Series  
**GO English!**

## If your class won a trip, where would you go?

Using your English skills, work together as you choose one place you would like to visit and explain why. Did you choose this place because of its location, culture, food, weather or people? We invite you to answer this question as you work in groups of four to practice your English skills, while creating a video, radio, poster or newspaper announcement.

ETS, the world's largest nonprofit educational measurement organization, is committed to delivering high-quality assessments — like the *TOEFL Primary*® and *TOEFL Junior*® tests — as well as conducting world-class research and advancing education worldwide. We are also committed to promoting learning that engages students on multiple levels.

With the *TOEFL*® Young Students Series GO English! project, now in its sixth year of inspiring students to practice and improve their English-language skills, participants can take pride in creating an amazing project.

**Project Deadline:
